

Our Pledge Against Child Sexual Exploitation

As an organisation we will ensure that Child Sexual Exploitation (CSE) is not tolerated. In order to do this we agree to:

- **Ensure this is a safe place for children and young people**
- **Ensure that staff receive and have access to training and materials to help them recognise the signs of CSE**
- **Have clear safeguarding policies and ensure information sharing processes are in place**
- **Ensure that staff feel confident in knowing what to do and who to contact if they have concerns about a child**
- **Listen to children and young people, and ensure their voices are heard**
- **Report anything that doesn't feel right**
- **Challenge any behaviour that we deem as inappropriate towards a child**
- **Work alongside other organisations to deliver the clear message that exploitation will not be tolerated**
